**BIBLE READING PLAN  
TOP 52 CHAPTERS**

This plan guides you in reading 52 chapters of the Bible to get an overview of the most important and inspiring chapters in God’s word. At the start of each week, you will read one chapter in a sitting. Then you will repeatedly read that chapter for the rest of the week. Features of this plan include....

- Top 52 chapters personally recommended by the Elders of LEFC.
- The repetitive nature of this plan will allow you to see context, themes, and big-picture truths often missed in a cursory reading of the test.
- There is a loosely threaded theme each month to meditate and think through as you remember the previous week’s reading.
- Variety of readings to keep your time fresh and balanced.
